

Coursera vs Udemy

Benefits of Coursera

1. Access to a catalog of **6,755+ courses** from top universities and companies.
2. Team plan includes upto 125 members
3. Quality of content is way better than Udemy because on Udemy any one can upload the course and in Coursera provides **high-quality content** with a strong emphasis on academic rigor. Offers **accredited certificates** for completing courses.

Example courses:

1. [Advanced React](#) | [Coursera](#) From Meta (Facebook)
2. [Developing Front-End Apps with React](#) | [Coursera](#) From IBM
3. [DevOps on AWS](#) | [Coursera](#) From AWS
4. [IBM Data Science Professional Certificate](#) | [Coursera](#) from IBM
5. [Getting Started with Google Kubernetes Engine](#) | [Coursera](#) from Google
